Dear Principal,

Re: Results of SSMSC 2012

We write to express our heart-felt appreciation for the wonderful support you and your school have given to Secondary School Mathematics and Science Competition (SSMSC) 2012.

The results of your students in the competition are tabulated in the attached Award Sheet(s). To ensure the certificates bear the correct information of the competitors, we should be grateful if you would inform us the discrepancies, if any, in the record(s), e.g. spelling of name(s) by **October 10 (Wed)**. We will rectify the error(s) accordingly.

The certificates are ready for collection at Room M1402, 14/F, Li Ka Shing Tower, The Hong Kong Polytechnic University from October 16 to October 26 during office hours (9:30 a.m. to 5:30 p.m.).

Students awarded with High Distinction or above will be invited for special interviews if they choose PolyU programme(s) as their Band A choice(s) in the Joint University Programmes Admissions System (JUPAS).

Should you have any queries concerning the results and certificates, please feel free to contact Ms Ophelia Lee at 3400 3113 or ophelia.lee@polyu.edu.hk.

Yours faithfully,

WAN Chi Keung
