**Message from Mr Sunny Tan, School Supervisor**  
**9<sup>th</sup> July, 2014**

Being the Chief Financial Officer of Luen Thai Holdings Ltd, I have been involved in numerous merger and acquisition projects and there is a need to have talents and professionals of different expertise areas to collaborate with each other to complete each of the projects. I deeply believe that education plays a very important role in laying a foundation for the elites for the prosperity and stability of a city. With professional knowledge, businessmen can contribute to the competitive edge of a city since their capabilities can attract more investment. With more close connections among professionals, the process of decision making will be more constructive and comprehensive, which can facilitate the work of multi-national companies.

To my strong belief, education is the foundation stone to the sustainable, viable, vibrant and dynamic city since a teenager who is well-equipped with linguistics and generic skills can be devoted to the betterment of a city and I have witnessed TWGHs S. C. Gaw Memorial College is heading towards the direction of nurturing the competitive and capable generation in the face of global challenges and in support of the flourishing development of Hong Kong.

In addition to the existing policies adopted by the school to unleash the abilities of the students, the school is still moving on its synergy to keep pace with the needs of the students and the business world. First and foremost, the school has responded promptly to the careers and life planning promoted by the government by introducing a comprehensive and deeper school-based curriculum to benefit the students. The school administration has planned a series of programmes to require the students to set their short term and long term careers objectives and the devoted teachers have prepared to widen the horizons of the students towards careers world and varsity education. What is more, our teachers have considered inculcating life and survival skills, foreign language skills, independent and self-access skills, and basic business and finance skills in the learning experiences of the students. As well, our students will be encouraged to sit for various international examinations in order to raise their competitiveness and recognition in the world. It is to aspire that we would like to cultivate a group of adaptable and competent entrepreneurs, pioneers and adventurers who can be committed to the well-being of our society.

S. C. Gaw high speed rail is accelerating and all the stakeholders are all devoted to providing a wide range of support for its successes in riding elites and professionals to serve in different parts of the world. We do not have a tendency towards slackness and inefficiency in the fields of learning and teaching, and curriculum design. Through scientific analysis of data and detailed discussions among teaching staff, we dare to make attempts to elicit support and resources from community leaders and seek assistance from the community to benefit the growth of our students, the pillars of our society in the future.

A famous automobile manufacturer Henry Ford once said “Coming together is a beginning; keeping together is progress; working together is success.” It is exactly a group of ambitious educators and successful community leaders working together in S. C. Gaw for the success of our students. Thank you very much.

陳祖恒校監勉辭

二零一四年七月九日

作為一間上市公司的財務總監，我參與過很多的合併收購的計劃，當中委實需要一群有不同專門知識和才能的專業人士合作，才可完成每項計劃。而我深信教育在培養人才、創建社會繁榮中扮演着非常重要的角色，因為有了專業人員的意見，我們才可以在實行計劃前有更全面的分析，繼而作出明智的決定。

我相信教育是一個可持續發展、多元化、富活力的城市的基石。年青人只要有適當的培育，努力裝備自己，就能為社會發展作出貢獻。今天我就見證到東華三院吳祥川紀念中學正不斷培育具有競爭力和才幹的下一代，好讓他們能幫助香港未來的發展和敢於接受全球化的挑戰。

現存的學校政策於釋放學生的潛能之餘，亦大力協助學生了解社會各行業的發展及入職的要求，為他們投身未來的事業作好準備。首先，學校迅速回應了政府關注學生生涯規劃的輔導工作，於是設計了一系列的、全面的校本課程以助學生制定短期和長期的職業目標，又幫助學生擴闊對職業世界和大學教育的視野。此外，老師亦兼顧到學生的學習經歷，利用不同的活動向他們灌輸正確的人生觀、價值觀，又着重培養他們語文能力、獨立自主、自我評估的能力。明年開始，學校更鼓勵學生參加不同的國際考試，藉此提升他們在世界中的競爭力及認受性，並培育一群有才幹的企業家、開拓者和歷險家，以為我們的社會福祉獻力。

吳祥川這高速列車正加速運行，而所有的持份者均致力提供強大的支援以培育英才，希望他們將來可以在不同的範疇作出貢獻。在學與教以及課程設計方面，我們都努力不懈，藉著科學化的資料分析和老師深入的討論，幫助學生提升學習效能。我們又敢於邀請社會賢達、領袖指導我們的學生，以助他們尋找到人生、職業的方向。

著名的汽車製造商 Henry Ford（亨利福特）曾說：「走在一起是事情的起步，維繫在一起是發展，而一起合力工作則是成功。」而現在吳祥川就正有一群擁有雄心抱負的教育工作者和社會有心的人士為我們學生的成功而一起工作。

多謝各位。

**Address by Ms Christina Gaw, Independent Manamger**  
**9<sup>th</sup> July, 2014.**

Dear Principal Tang, Teachers, Students and Distinguished guests,

It's my honour today to be speaking to you all and sharing my thoughts about the vision our family as donor has for SC Gaw Memorial College.

I have four children of my own, and my elder son is particularly interested in reading about Greek Mythology. Often time, our family dinner table discussions allude to the lessons learned from some of the legends. One of which I remember fondly as lifelong lesson for my children is Helen of Troy. The story beings with a young Trojan price called Paris who stole Helen, the most beautiful lady and wife of the Greek lord Troy. The Greeks became very angry and gathered a force of ships to attack Troy, and the Trojan War begins...

The legend has it that the fighting lasted for 10 years. Ultimately the war concluded with an idea from a Greek hero, who told his people to build a wooden horse, big enough to fit soldiers inside. Once the horse was completed, the Greek soldiers left Troy, leaving the wooden hose on the seashore. The Trojans were overjoyed, thinking that the Greek forces had left, and they dragged the horse into the city of Troy, thinking it to be a gift from the Greeks. When night came, however, the Greek soldiers inside the Wooden Horse jumped out of the horse and Troy was burnt to ashes.

This story is a legend in many households around the world and its moral theme has a deeper meaning – which is not to take things for granted at face value especially when dealing with strangers and the unknown. However, I also have my own interpretations from this lesson learned and I would like to share these thoughts with you today.

This story also tells us that using force is not the answer to unresolved conflicts. Knowledge and skills are the tactics helping the Greeks to win the war. There is certainly a leader in the pack who

had a strong sense of leadership and charisma to influence his subordinates to follow his idea of using the Wooden Horse. This has shown that good interpersonal skills and leadership skills, observing what's happening around the world, are very important skillset to acquire during your secondary school years. These knowledge and skills will take you far in life as you build up your own character traits during the important adolescent years in secondary school. It is with these interpersonal and leadership skills that you acquire that will enable you to establish important relationships with people from all walks of life in the future. Through daily compelling and fascinating conversations with people around you, you will gain more empathy and be able to inspire those who respect you for who you are and what you are able to achieve. That is also the reason why our school, under the leadership of Principal Tang and capable teachers, has developed a wide range of activities to nurture more leadership quality from our students.

Leaders should have excellent collaboration and problem solving skills. Knowledge and valuable experiences are the lubricants to strengthen your skills. Knowledge from disciplinary subjects is important, but experiences gained from extra-curricular activities are indispensable part of student leaders. To all students, I truly believe that you should cherish every moment and opportunity SC Gaw Memorial College and the teachers have provided you with. Secondary school education is the critical period as each of you will be equipped with different kinds of knowledge and skill set for your future positioning in the society as your own character shapes up. At the same time, it is also the place to unlock your potentials so that you can understand more about yourself for better future planning. Our College, under the leadership of Principal Tang is working hard on this to foster your development to the fullest.

Steve Jobs is also a household icon these days especially for those who have computer maniacs at home, and the one quote I always like to share: Innovation distinguishes between a leader and a follower, and our school is certainly making the headway in the aspects of curriculum and activities to develop more leaders, and for that, I am ever so proud to be involved in a school that has the right aspiration for our youngsters who are future pillars of our society. Thank you

## Life Overview in S.C. Gaw

It is our belief that students will grow up positively in a concerning and loving environment with reinforcements, identifications and recognitions. That is the reason why our teachers strive to establish such educational environment so that our students will develop a sense of belonging to the school.

Based on a wide variety of activities provided for our students to participate in, we are sure that we have established close connections with different stakeholders such as students, parents and the public. Deeper understanding will help nurture respect and trust, and our students will be more willing to show care and concern for the development of the school. What is more, we would like to encourage our students to experience life-wide learning since different kinds of educational activities can cultivate positive attitudes and values among our students who will be trained up to be upright citizens contributing to the well-being of our society. As well, such significant and sophisticated environment can promote multiple intelligences, which can help each of the students unleash their potentials and possess a sense of achievements. It is evident to have observed that our students have performed excellently in terms of sports, arts and gifted education in recent years.

It is our aspiration that S. C. Gaw is our second home, in which all teaching staff, schoolmates and parents are interwoven together tightly and closely. We cherish each other and love one another as a whole family

### 同一關愛校園 不一樣的天空—— 啟發潛能助成長 關愛尊重滿校園

我深信良好的品德只有在「多關心、多讚賞、多認同」的環境下形成，因此，本年度老師會着力班級經營，推行級本導育活動，藉此加強師生的關係，增加同學對學校的歸屬感。

級本導育方針與啟發潛能教育結合，目的就是在級本導育平台上進一步加強老師、學生、家長，以至與社區的溝通，建立尊重、信任的夥伴關係，透過各種活動，建立校園關愛文化，培養學生正確的價值觀及積極的人生觀，使其能盡展潛能，服務社群。我們更刻意為學生提供及營造一個更理想及優質的學習環境；更透過多元互動學習活動，刻意為學生安排及製造成功機會，因為我們相信每一位學生都有無限潛能，這幾年來學生積極參與不同的課外活動，無論在體育、藝術及資優教育方面都取得豐碩的成果，証明只要有適當的平台，同學便可踏上自己的舞台。

透過關愛教育，讓學生感受到愛與關懷，感受到作為「青川人」的悅樂，感受到「青川」就是他們的第二個家，校長、老師就是他們在校的父母，同學、工友是他們的合作夥伴，他們雖不是「第一」，但卻是「唯一」，我們會珍視每一位學生，讓學生在老師嚴而有愛的引導下遷善愛己、立己達人。

3B 廖海茵同學為大家表演棒及絲帶藝術體操。藝術體操術揉合舞蹈與體操於一身，穿上華麗的舞衣，配合音樂、器械及優雅的動作，表達出不同的藝術風格和美態。

廖海茵同學曾榮獲 2012-2013「全港藝術體操比賽公開賽」三級繩操及圈操中勇奪兩項冠軍、全港個人全能亞軍，以及「屈臣氏集團香港學生運動員獎 2013-2014」等獎項。她現正為本年七月在台南藝術體操比賽作好準備。

Liu Hoi Yan (3B) will perform Rhythmic Gymnastics which combines elements of ballet, gymnastics, dance, and apparatus manipulation. Each movement involves a high degree of athletic skill, flexibility, agility, dexterity, endurance and hand-eye coordination.

Liu Hoi Yan has been awarded two Champions and a Territory-wide All-round Award 1st Runner-up in the 2012-2013 Hong Kong Rhythmic Gymnastics Competition and the 'A. S. Watson Group HK Student Sports Awards 2013-2014'. She is now preparing for the Tainan Cup Rhythmic Gymnastics Tournament 2014 from 24-27 July, 2014 at Taiwan.

### **Student Performance at School Closing Ceremony**

本校 新樂隊組合 Joker 由 4 位中三同學組成，成員包括鼓手：陳鈺麟、結他手：胡哲偉及李偉熙、低音結他手：許晉晞、主音：譚超豪。

Joker 小丑，象徵帶給人歡樂和驚喜。這次 Joker 表演“crazy”、“年少無知”兩首歌曲，藉此表達雖然少年無知，表現未如人意，但大家依然珍惜青春，努力面前。

The band 'Joker' is newly formed by four S.3 students. The group is called 'Joker' for they want to give joy and surprise to their audience. They will perform two songs. They would like to express the message that though teenagers are ignorant and sometimes may walk in the wrong direction, they still treasure their youthfulness and try their best to do better. I hope all of you will enjoy their music.
