

School visit by Mr Archie McGlynn, Director of Hong Kong Schools Self-Evaluation Network

On 17th & 19th January, and 17th & 18th March, 2011, Mr. Archie McGlynn visited us. He attended lessons conducted in English from S1-S6, and held formal and informal interviews with students around the campus. In addition, he gave a half-day seminar on 'Lesson Observation and Evaluation' to our teachers.

Archie revealed that he found this visit satisfying. He saw a number of favorable things such as teachers conducting content subject lessons in English with good preparation, students learning in English with enthusiasm and our school as a whole providing a welcoming environment which is conducive in using English. He concluded 'S.C.Gaw compares favorably to other schools of its kind in my judgment.' He was particularly impressed by students' willingness in learning in general and learning in English, a challenge which our students have been handling quite satisfactorily so far.

香港學校自評網絡總監麥雅哲先生到訪

在一月十七日、十九日及四月十七日及十九日，本校承蒙香港學校自評網絡總監麥雅哲先生到訪，並到以英語授課的各班觀課及與同學們面談。更為本校老師舉辦了半天的工作坊，題目為「觀課及評估」。有此難得的機會，本校師生皆獲益良多。

麥雅哲先生覺得本校學生能以積極的態度學習英語和其他以英語授課的科目，而老師對課堂教學亦準備充足，有關現象實在可喜可賀。

綜觀而言，吳祥川的師生對以英語授課的這個挑戰，表現實在令人滿意。
